

A Perfect Pairing

Tandem and Dexcom have created life-changing diabetes management solutions with nearly a decade of collaboration.

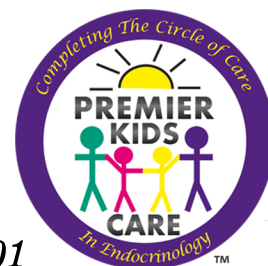

The Clear Choice Over Multiple Daily Injections (MDI)

- + Better control of blood glucose (BG)^{2,3,4}
- + Shorter Periods of high BG with no increase in hypoglycemia⁴
- + Accurate tracking of all insulin delivered
- + Never leave home without your insulin

t:slim X2 Insulin Pump with Control-IQ Technology vs MDI

Six-month use of Control-IQ technology demonstrated significant improvements in quality of life, significant reduction in diabetes burden, and significant improvement in satisfaction with diabetes therapy vs MDI as prior therapy.¹
